

Links

As well as this website representing our company and the products and services we offer to industry, our aim is to make it a great resource for information and a direct portal to companies and data that affects the business we are involved in. We welcome any suggested links that you feel should be here.

Institute of Electrical Engineers

www.theiet.org

A new institution formed in spring 2006 by the coming together of the IEE and IIE. They aim to serve a global community engaged in engineering and technology, providing a knowledge network accessible whenever or wherever you choose

The Environment Agency

www.environment-agency.gov.uk

We are the Environment Agency. It's our job to look after your environment and make it a better place - for you, and for future generations.

Health & Safety Executive

www.hse.gov.uk

The Health and Safety Commission is responsible for health and safety regulation in Great Britain. The Health and Safety Executive and local government are the enforcing authorities who work in support of the Commission.
